

## **ACTION ALERT**

***Immediate Action Needed:  
Votes Scheduled Tomorrow on Two Florida Stem Cell Research Bills***

**ISSUE:** Both **HB 1065 (Flores)** and **SB 2496 (Haridopolos)** will be heard and voted on tomorrow, Tuesday, April 10.

Both bills provide funds and structure for *ethical* stem cell research that does not involve destruction of human embryos. For more information on ethical forms of stem cell research, see the [Conference's position paper](#).

HB 1065 will be heard in the morning's House Healthcare Council; SB 2496 in the afternoon's Senate Health Policy Committee.

**ACTION:** Please email Council/Committee members ***immediately*** to urge support for these bills.
