ACTION ALERT**

**Urge Congress to pass health care reform
that excludes abortion and preserves conscience protections**

Now is the time to contact your U.S. Representative

ISSUE: Leadership in the U.S. House of Representatives has said that they expect to bring the health care reform bill to the full House before the August recess. It is also widely expected that amendments will be offered on the floor protecting conscience rights and excluding coverage for abortion.

ACTION: Please immediately send an electronic message or call your U.S. Representative and urge him/her to pass health care reform that *excludes abortion and preserves conscience rights*.
